Your team is great. Our agents make them unstoppable.

AI agents that monitor your dealership's digital ecosystem around the clock—surfacing issues, identifying opportunities, and recommending where your team should focus next.

YOUR DIGITAL STACK. ALWAYS WATCHED.

Modern dealerships rely on a complex mix of platforms, vendors, and data. LotAgent continuously monitors the critical signals across your accounts and inventory so issues don't go unnoticed and opportunities don't get missed.

01

MONITOR

Watch accounts, campaigns, inventory, and digital activity around the clock.

02

IDENTIFY

Surface anomalies, risks, and opportunities that need attention.

03

RECOMMEND

Deliver the context and next-best actions to help your team move forward.

AI agents. Working behind the scenes.

BUILT TO AMPLIFY YOUR TEAM.

LotAgent handles the endless monitoring and tactical analysis so your people can focus on what they do best.

READ-ONLY BY DESIGN.

LotAgent surfaces issues and recommendations —it never makes changes without your approval.

Marketing teams

Spend less time monitoring and more time on strategy and growth.

Dealership teams

Spend less time diagnosing and more time selling cars.

> **My best-performing campaign went dark for three days and my agency never noticed. LotAgent caught it in 40 minutes, told me exactly what to do.**
