VINCENSUS

Q3 2026 VOLKSWAGEN

We are pleased to present the Q3 2026 Vincensus Report, one of the industry's most comprehensive analyses of automotive inventory performance and market trends.

Built on extensive VIN-level market intelligence and shopper behavior data, this report goes beyond reporting what happened - it highlights the trends, risks, and opportunities that matter most to dealers.

Each section is designed to provide actionable insights you can use to make more informed inventory decisions, improve inventory health, identify emerging market shifts, and optimize performance in the quarters ahead.
